Professionalism

The Temple Police Departments Administrative Division is staffed by a full-time office manager and a full-time office assistant who is responsible for all support services within the department. These services include providing professional assistance to both the citizens of Temple as well as the individual personnel of the police department.

We serve in ways that bring honor to the police profession by building trust, confidence, and respect with the general public. We pledge to treat all people fairly and to fully uphold the constitutional rights of all individuals we encounter.
